

QR Sponsored Scavenger Walk

Friday 15 November

This year, each class in Carr Lodge Academy will be taking part in a sponsored QR scavenger walk around the local area. Each Key Stage will have it's own set of clues or destinations where they will need to find the codes. Each code in turn will reveal the next steps of their walk, before leading the children to their final challenge, all of which will raise awareness of Children in Need.

Please join us ...

By sponsoring your child as they take part in this celebration. We invite all children to bring a £1 donation on the day and to represent our cause, we'd also like to ask our pupils to wear something yellow (non-school uniform), as a sign of our support to Pudsey's cause.

Thank you

It is going to be fun!
