## **CLOSURE OF BUBBLE- STREAM CLASS YEAR 1**

Dear Parent/Carer,

Today we have received communication that a staff member, in Stream Class at Carr Lodge, has tested positive for COVID. The staff member was last in school on Tuesday 16<sup>th</sup> March. As per our Risk Assessment and Emergency Procedures plan we therefore have to isolate all pupils and staff who were in **Stream Class** bubble from the day the staff member was last in school. Individual letters have been sent to this bubble informing them of their isolation period.

We appreciate that this will cause anxiety but we want to reassure you that due to our strict bubble procedures we are confident that they have not come into close contact with other pupils in the academy.

Please be assured the academy is deep cleaned every evening; we are therefore hopeful that this will be an isolated case. Classrooms are also cleaned at break and lunchtimes during the academy day for extra stringent hygiene standards. Pupils wash their hands on entry and exit to the classroom throughout the day.

At this time there is no need for siblings of pupils in the above bubbles to isolate unless either child shows symptoms. Please contact 119 if your child starts to show any symptoms of COVID 19. We would recommend that you do not allow your child to come into contact with elderly or vulnerable members of your family or the community. If your child does start to show symptoms and they have siblings who attend the school it is advisable that the sibling also isolates.

**PLEASE NOTE- you cannot bring pupils from **Stream bubble** with you to drop off other siblings please ring the academy office if you need support with dropping off and picking up.**

Rest assured Carr Lodge takes the safety of our pupils with utmost importance.

**Yours Faithfully**

**Miss Sarah Cope**

**Acting Principal**
