Changes to the start and end times of the school day

Good afternoon,

Over the last few weeks we have been evaluating procedures at the academy and from next week, w/b 19th October we will be making some changes to our staggered start and end times.

At the moment the school day is very long, but especially for those pupils who are dropped off at the earliest time and collected at the latest time due to siblings. Currently, the staggered drop-off/collection lasts for 40 minutes. However, we have found that the vast majority of pupils arrive/leave within a 20-minute window due to sibling drop off/collection.

From Monday, we are shortening the staggered start and end times to reflect this. This will allow for pupils to maximise learning time without staying for an extended period before or after school. It is worth saying that this is only possible because of the positive response of all parents and carers to the measures we have put in place, so a sincere thanks from us all at Carr Lodge.

The start and end times will be as follows and a timetable for each individual class is on the next page - **please note, the new time for your child's class is a start time and there is no longer a 10 minute window to arrive, so please ensure you arrive promptly.**

- The school day will start at 0830 and end at 1530
- The morning stagger will be from 0830 to 0850
- The afternoon stagger will be from 1510 to 1530

From the feedback we have received, the staggered start and end times have been a real positive to come out of the current situation and I thank you all in advance for your continued support.

Kind regards,

Mr R Tuddenham
Principal
