Spring * Term

The Spring term is here and jam packed with exciting opportunities and experiences planned. A huge thank you for those parents who completed the SEND survey. It was reported that 81% of parents received their child's support plan and 100% of parents felt able to seek support from school staff and the SENDCo. Like always, if you wish to have a paper copy of your child's plan, please contact your child's class teacher.
