1. Introduction

Carr Lodge Academy is committed to providing high-quality wraparound care for pupils before and after the academy day. This policy outlines the aims, objectives, and procedures for the operation of our wraparound care provision, ensuring a safe, stimulating, and nurturing environment for all pupils. Wraparound care provision refers to childcare services that are offered outside of the standard academy day, typically before and after academy hours.

This policy outlines the procedures for booking wraparound provision and important information for parents/carers. This policy has been created to assist academies within Exceed Learning Partnership to adopt a consistent approach to wraparound provision, provide clarity and consistency in managing any debt from wraparound provision places and will also help parents to have a clear understanding of what is expected of them.

2. Aims and Objectives

Our wraparound care aims to:

- Provide a safe, secure, and stimulating environment for pupils outside of academy hours.
- Offer a range of activities that are engaging, age-appropriate, and promote pupils' development.
- Support parents/carers by providing flexible and reliable childcare.
- Create a welcoming and inclusive atmosphere where all pupils feel valued and respected.
- Work in partnership with parents/carers to ensure the well-being of all pupils.

3. Operating Hours

Parents are able to book just for AM provision, just for PM provision or for both.

- AM Provision: 7:30am – 8:50am
- PM Provision: 3:20pm- 5:45pm

The Name for the Wraparound Provision is: Kingfisher

4. Age Range

Our wraparound care provision caters for pupils attending this academy from Reception to Year 6.

5. Location of Provision, including Drop off and Collection

AM provision is held in the main hall. Drop off for AM provision is through the Kingfisher door.

PM provision is held in the main hall. Drop off for AM provision is through the Kingfisher door.

Children can only be collected by an adult who has been authorised to collect them on their registration form or by having knowledge of the pre-arranged password for authorisation to collect.

The academy operates a 'safe password' system for collecting children at the end of the day.

Parents/carers must inform the Club in advance if someone who is not listed on the registration form is to collect the child. Staff will contact the main parent/carer for confirmation if they have any concerns regarding departures. ***Children will not be allowed to leave on their own.***

Gates will remain locked during the Wraparound session times and access to the academy is through the main entrance only. No unauthorized or unaccompanied adults are permitted in the academy when the wraparound provision is taking place.

6. Capacity

We can accommodate a maximum of 40 pupils in the AM session.

We can accommodate a maximum of 45 pupils in the PM session.

7. Booking and Payment Process

1. Registration: Parents/carers must ensure the academy has all the most up to date details for their child providing essential information including emergency contact details, medical information, allergies including food and any specific needs.
2. Booking: Bookings can be made via Parent Pay and are made termly.
3. Parents/Carers are expected to pay for wraparound at the time of booking. Parents may wish to make a longer term booking and pay up to a term in advance if more convenient.
4. Academies within the Trust operate an online payment system called Parent Pay. Parents/Carers are provided with log in details and are encouraged to use this system to make their wraparound provision payments. Parents/Carers are asked to contact the academy office if they have misplaced their details.
5. For parents/carers should contact the academy if they have any issues accessing the online system payment system.
6. If a child is absent, wraparound provision booking is credited for the following week.
7. Refunds may only be given for credits at the end of a term, or if a child is leaving this academy.
8. Menus are available to view on both the academy website and via Parent Pay and parents/carers are able to choose the meal choice a week in advance.
9. Booking Confirmation: Upon receipt of your booking request, you will receive a confirmation email acknowledging your request. Please note that this does not guarantee a place for your child.
10. Place Allocation: Places will be allocated based on availability. We will do our utmost to accommodate all requests, however for the dates we are unable to accommodate your request, we will issue a full refund.
11. Confirmation of Place: bookings will be visible on Parent Pay.

8. Bookings Disclaimer

While Carr Lodge Academy makes every effort to accommodate all booking requests, we cannot guarantee a place for every child. We will manage bookings fairly and transparently and will keep parents/carers informed of any changes to availability.

9. Fees and Managing Payments

Fees: All fees must be paid at the point of making the online booking or prior to the sessions attended by the children.

- AM Provision: 7:30am – 8:50am – £4.80
- PM Provision: 3:20pm – 4:30pm – £6.00
- PM Provision: 3:20pm – 5:45pm – £9.00

10. Managing Payments

Payment methods are as follows: Parent Pay. For families wishing to use childcare vouchers must speak with the school office prior to booking sessions. Please note, we are unable to offer refunds on childcare vouchers. The government tax free childcare payments are also accepted.

Please ensure that all payments are made on time to secure your child's place.

We request that all parents give this policy their full support. If debts are incurred, the academy will have to cover the cost of the wraparound taken. This will mean that money which should be spent on the children's education has to be used for debts incurred by parents.

- Exceed Learning Partnership operates a strict NO DEBT policy relating to wraparound provision within their academies.
- The cost of wraparound should be paid for in advance.
- If a parent/carer genuinely forgets to pay, the academy may grant an exception and allow for payment to be made. This debt must be paid the same day or by the morning of the next day at the very latest and all future wraparound provision bookings must be paid for in advance.
- Parents/Carers who incur debts will be contacted. If the debt is not cleared, they will be informed that the academy can no longer provide a place in the wraparound provision.
- If a reasonable arrangement to clear a debt cannot be made, the academy/trust reserves the right to begin legal proceedings to secure payment.
- We hope that by implementing this debt policy we are able to help parents/carers manage and ensure that all money provided for children's learning is used for that purpose

11. Cancellations

Cancellations: Cancellations must be made at least five academy days in advance of the booked session. Cancellations made with less than 5 academy days' notice will be chargeable at the full session rate.

12. Food and Drink

AM Session: Pupils will be provided with a choice of cereals, toast and fruit.

PM Session: Pupils will be provided with a light snack in which the menu will be accessible on a weekly basis to choose from. Menus are available on our website.

Appendix 3 – Example Letter

Dear Parents / Carers

Re: Wraparound Provision Policy

Exceed Learning Partnership has adopted a strict NO DEBT policy relating to Wraparound Provision, for all of the academies within the Multi Academy Trust.

If debts are incurred, then the academy budget has to pay for them. This means that money which should be spent on the children's education is used to pay for any unpaid wraparound provision. I am sure everybody will agree that this is unacceptable and we hope that all parents give this policy their full support.

Wraparound Provision must be paid for in advance using any of the methods of payment outlined below:

- Online at : <https://www.parentpay.com>
- Send cash or cheque in a marked envelope

If a parent genuinely forgets to pay in advance, the academy may grant a debt allowance of one session. However, this debt must be paid next day and future bookings must be paid in advance before any confirmation of booking is provided.

If payment of the debt is not received by the next day, the Principal reserves the right to inform the Chair of the Governors or the Trust Directors Finance and Operations Committee who may decide to take proceedings against parents to recover the debt.

We hope that by implementing this debt policy we are able to help parents and at the same time ensure that all the money that is for children's learning is available.

If you have any concerns, please don't hesitate in contacting me.

Yours sincerely

Principal
